

Hello

Greg Bedford

Sarasota, Florida

(217) 848-4310

GREGORYBEDFORD93@GMAIL.COM

Skills

HTML, CSS, JavaScript, JQuery, Bootstrap, Git, Github, Adobe CC, Sketch, Figma, Microsoft Office, Mailchimp, Wireframing, User Experience, Graphic Design, and Web Development.

Experience

JANUARY 2018 - MAY 2018

Illinois Mutual, Peoria, IL – *Graphic Designer*

- Designed digital marketing materials using Sketch, Photoshop, and Mailchimp
- Responsible for the design of social media graphics and internal emails.

JUNE 2017 - AUGUST 2017

Espinosa Hardwood Flooring, Chicago, IL – *Graphic Designer*

- Designed a new logo, and assisted with rebranding
- Created original graphics for business apparel.

MAY 2016 - AUGUST 2016

Pekin Insurance, Pekin, IL – *UI-UX Designer*

- Designed/developed web pages for their Agent Portal including: a medical chart, widgets & online insurance form. Created a set of original icons in Sketch.
- Designed and developed a landing page for their annual spring vacation trip.
- Optimized over 300 images for their homepage to increase the loading speed.

Education

JUNE 2023- DECEMBER 2023

University of Miami, Miami, Florida – *Web Development*

Studied how to develop full stack web applications using different technologies and methodologies. Applied best practices in Git, HTML, CSS, JQuery, Javascript, APIs, and frameworks. Developed projects using these technologies.

AUGUST 2015- MAY 2019

Bradley University, Peoria, Illinois – *User Experience Design*

Studied web, mobile, and graphic design while studying at Bradley University. Applied what I learn through different projects, including a non profit food organization, as well as used my skills during two internships as a designer.
